

of this form is solely at the discretion of the TA, we encourage you to take this opportunity to get constructive feedback and comments on your teaching abilities as you continue to develop academically and professionally.

The TA evaluation form is a Google Form of 10 multiple-choice questions with the option to add feedback at the end. 5 of the questions are drawn from the USAT and TAs can request the departmental mean scores for those questions as a measure of comparison. The responses are meant to be confidential and will only be seen by the TA administering it. To ensure the confidentiality of the form:

1. Open the following [link](#) to see the Google Form.
