

Executive Summary

Planning for immigration to small-sized cities is an under-researched yet critical topic of inquiry. According to Drolet and Teixeira (2020) there is a need to better understand how settlement can be tail[31oed(s3rng321(be)-1(t)7()]TJEQ.00000912 0 612 792 reW*nBTF2 12 Tf1 0 0 117.625
