2. That the Smith School of Business explore curriculum changes in its BCom degree program that may provide opportunities for its students to take courses offered by other faculties (especially Arts and Science) thus widening the breadth of the Commerce program.	Executive Director of the Commerce program should initiate discussion with relevant faculty, cognate faculties and undergraduate commerce students to explore possible adjustments to the curriculum which would allow more opportunities to take courses outside Smith.	Executive Director, Commerce Program	Dean of Smith School of ˚¸¶±¨¶¶ *annual report* to the provost 2016	The Undergraduate Curriculum Committee for the Commerce Program has begun the process of a complete curriculum review of the Program. The Committee is reviewing: The structure of the Commerce Program, i.e. the number of required courses vs number of elective courses; The opportunities to increase Commerce ¶¸§¨±·¶ ¨»³²¶¸ µ¨ ·² ±²±-Commerce elective courses; and The overall number of credit units required to complete the Commerce Degree.
