

**Final Assessment Report & Implementation Plan for the
Cyclical Program Review of the Academic Programs in the Faculty of Education**

The Review Team did report on a number of challenges, including the need for a

development of on-line programs, decreased relationships with the Faculty

- To develop the online professional master's program and ensure that it is sufficiently resourced so that students and instructors involved in the program are supported adequately;

To seek new revenue streams to support and sustain the core programs of the
