Final Exam:

- To be held d

order that you understand fully why the study is being conducted, and what your role is, as a participant.

- How to sign up for studies

- We use the website [Sona](#) for the participant pool. All students will be activated in the participant pool by the 3rd week of the term. If you have previously used the participant pool, you will use the same userid and password that you used previously. If you are new to the participant pool, you will receive an email with your login information by the 3rd week of class.
- During the first week of the semester, you will be emailed a link to an online prescreening questionnaire that will be due by the end of the Add/Drop period (second Friday of the term). If you complete the larger prescreening questionnaire, you may become eligible for additional studies, and those researchers will contact you directly to find a time to participate.
- Signing up for studies is done through the Sona site directly: [CLICK HERE](#)
