

**PSYC 332/3.0 [Health Psychology] Dr Dean A. Tripp**

Please note that t

bad! The student will be encouraged to discuss the lecture topics in small groups and respond to the opinions of others as well.

## **Term Schedule at a Glance**

*\*\*Note that this schedule is*

## **Course Evaluation**

There are 3 exams weighed equally and worth a total of 75%, one of which will be in the final Exam Period. There will also be a major health behaviour change assignment to be completed before the end of the term that will comprise 25% of your final grade. (Please note dates of in-class exams above).

The goal of this assignment is to identify a health behaviour that you want to change

Do you plan on continuing this intervention now that the project is over? Why or why not?

**Due:** Tuesday, March 29th, 2016, 5PM

Students will be excused from an Exam for documented medical or compassionate reasons. These would include situations such as major illnesses, accident, or a death in the family. You must contact both the professor and the teaching assistant as soon as you become aware you will miss an Exam
