- 7 Du uis Hall o ane To ches Hand held o ches need o be added o o ocols and ocedu es
- 8 JH boa ds new g a hics coming f om H fo all boa ds New s a emen s fo boa ds, new g een books 2024 coming oo
- 9 o ane cylinde, o ane mini o ches need o ef esh on he H s a emen s and will b ing back o ne mee ing
- 10 Is official aining needed fo egula o changing fo la ge anks This seems like some hing ha we should be doing Is he e any hing cen ally o a ce ifica e? hould we do i in each lab de ? Dan- ome egula o aining was done in as, bu now he e a e so many y es and s yles ha i is no always ossible

4 Old Business:

- Follow u con e sa ion be ween John had and Gabe ega ding he ne gy Lab ins ec ion held on Augus 2023 wi h a o en ial Cam us ecu i y audi 1 afe y a emo e si es
 Gabe no es ha some aining was done by Cam us secu i y, bu mo e focused on down own off si e, no emo e si es like G an Timmins Remo e f om lis
- ii Follow u con e sa ion ega ding Beamish-Mun o Hall ins ec ion in Augus 2023 o ageA ea has been cleaned u Be e bu needs o be con inual I is no longe a ha a d
- iii Membe s needed: Dan looking a wha is need o econcile wi h managemen
- i Kelly edo e : La y is ou new Co-Chai
 - D O fo Mi chell: Mi chell safe y office is e hanie Wilson fo ublic a eas and o e all facili y Facul y de s ill need o look af e hei own a eas
- i D O fo Bioscience Nicol Hall CH M, Done: Dani ande son
- ii New Wo ke Co-Chai Done: La y eele

5 New Business:

- i lease send com le ed Wo k lace afe y Ins ec ion Re o s o John and La y A A
- ii Welcome La y eele as new Co-Chai, ing Zhang as QUFA membe
- iii Mold in 385 incess basemen : H Thomas Ma inek has assis ed wihe ediing es ing and e ui emen fo emedia ion Fis floo le els a e safe mell is song when humidi y le els ise lans fo ongoing managemen emedia ion will be sha ed as hey become a ailable Fis on si e was onsi e oday and onne Holland was wo king wih Landlo d
- i Noushin has asked fo AC in Du uis, ACTION: John o send hea guidelines

- 1 Mold and lead ain in Mclaughlin Hall basemen, mold in McLaughlin Tech ho: Techsho mould- emedia ion was done, bu need o find oo oblem; Basemen mould all eaching has been shu down and s ace has been locked u since Oc 2024 due o dange ous le els ushed o ha e done fo s a of classes wi h Facili ies
- 2 Teams Resins bay en ila ion: Resin bay no good enough en ila ion fo wha eo le a e doing Kyle ike ha e been looking a o ions will e lace fan and eassess, c ea e a new boo h wi h a smalle a ea Looks like his needs o go o a highe le el and facili ies ojec needs o be c ea ed Righ now, communica es wi h ng oc di ec o s and eams o make o isi ions when wo king clea ou a ea, mo e fans, e c
- 3 o osed O fo Li o LiOn Ba e ies: i Li o LiON Ba e ies olicy coming on -bike ba e ies, bu also need fo ba e ies in esea ch No mo emen in legisla u e o egula e, bu e e yone wan s i ; can kee u wi h science Issue is hey bu n e y ho if hey ca ch on fi e Righ now, anyone using mus make su e hey ha e a safe y lan in
