

The worker reported to his supervisor that he had returned into a building after discarding garbage outside. After entering, he slipped on stairs heading to basement. He did not observe anything on the stairs, but may have had snow on safety boots, from outside.

: Worker lost 3 days, Dec 14, 15, 16. He returned to full duties and hours on December 19.

3 points of contact on stairwells, use extra caution in inclement weather

Days Free of Lost Time Injuries: 36 days since last reported injury, as of Jan 18th, 2022

Review of new covid-19 related information, procedures or protocols, updates on how operations are going with new COVID-19 measure in place, and discussion of any concerns raised with members of the committee.
