5. Report from the Chair, Bruce Bell

a. Inspection Reports:

a. 5 of 11 areas have been inspected. ACTION: Bruce will send out an email to JHSC members to see who is available to assist in conducting inspections on the balance of areas outstanding. By end of year, all inspections are to be completed.

b. Incident Reports :

- x Reviewed all incident reports (see attached Appendix "A ") with the committee members for:
 - o K.
 - o T M
 - o J
 - o T W
- x Bruce shared 2022 Statistics which reflects case incidents for the whole campus, including West Campus (see attached Appendix "B")

6. New Business :

- x How will we manage safety inspections going forward during the upcoming renovations in March, 2024
- x ACTION (Bruce): Safety inspections will be scheduled in advance to avoid last minute planning
- x Teri Wagar shared an interest in doing a Health & Wellness presentation with her team based on her recent health experience. ACTION: Follow up with Dean's office on an article .
- x THRIVE event~ Clint's position on the Wellness Working Committee for all of campus gave him some insight on how they may improve the THRIVE events in future to be more inclusive of staff not working on East Campus, as many have moved to the 355 King site. This will require them to provide programming to more people that are not working on East Campus.
- x Review of renovation plans ~ The committee requested information about the accessibility of DMH during the upcoming renovation project as the elevator will be in the area under construction. Bruce Bell or Chris Ingram will provide the construction/accessibility planning with the JHSC committee and Faculty when it is finalized.

7. Motions – none

8. Campus Safety – To ensure safety on campus, SeQure app to be used as it will provide emergency response information. Every bookable room on campus will have the campus safety poster hung up. Blue light still the 'go to'. ACTION: Alex confinsJ 0 Tc 0 Tw 2.30 Tw saf9F4()0.7d [(g)0w -95 Tw 0.262 0 Td [(B)-4.3(2(h)0.7(t)-0.7(rnf)-1.8u)0
