Queen’s University at Kingston
Getting to Know the Partner Organization

You are being asked by Queen’s University (“Queen’s”) to complete this form to enable Queen’s to comply with the Government of Canada’s National Security Guidelines for Research Partnerships as implemented by the Natural Sciences and Engineering Research Council of Canada (NSERC). Your responses to the statements identified below (which are taken from the Risk Assessment Form), will ensure that the information Queen's provides to NSERC, as par1 0 Tc -40(t)1
